

AIR PLATE P-15 (AP02-P15)

The Rigtec Air Plate P15 provides a lightweight and cost-effective solution to unlock all the rigging advantages of the Atom Grip without requiring a full projector rigging frame.

The Air Plate has been designed for scenarios where a full frame is unnecessary or impractical, making it ideal for venues with low ceilings, low SWL rigging points, or tight sight lines, such as theatres, while minimising hanging weight and overall footprint.

A single Air Plate now supports a wider range of projectors from Barco, Panasonic, Christie, Epson, and Optoma, making it a highly versatile addition to any rental inventory.

For maximum efficiency on site, the optional Mounting Accessory Storage Blocks keep bolts, washers, and spacers organised and attached directly to the plate, while the optional Accessory Attachment Bracket allows third-party accessories, such as Theatrxxx Xvision Converters, to be securely mounted to the Air Plate.

SPECIFICATIONS

Part Number: AP02-P15

Description: Air Plate P-15

Weight: 2.8 KG / 6.17 lbs

Dimensions: 480mm (18.90") x 376mm (14.80") x 13mm (0.51")

WLL: 73KG / 160.9 lbs

Part Number: P15-04 (M4)

Description: M4 Mounting Accessory Storage Block

Weight: 64g / 2.26 oz

Part Number: P15-04 (M6)

Description: M6 Mounting Accessory Storage Block

Weight: 60g / 2.12 oz

Part Number: P15-04 (M8)

Description: M8 Mounting Accessory Storage Block

Weight: 57g / 2.01 oz

Part Number: P15-06

Description: Accessory Attachment Bracket

Weight: 26g / 0.92 oz

Part Number: SC-01

Description: Safety Cable Eye Bolt

Weight: 61g / 2.15 oz (Each)

COMPATIBLE PROJECTORS

Panasonic:
